

North Carolina 4-H Camp . . . What a difference a week can make!

Enter a world of adventure with incredible experiences you'll remember for a lifetime . . . the twang of the bow string, the splash of the paddle, camping under the stars, sailing on beautiful Bull's Bay, or sleeping in an authentic Cherokee cabin. When you think of camp, you're imagining a setting like that of North Carolina's 4-H Centers, where all youth have the chance to strive and succeed. From drama to swimming, canoeing, hiking and campfires, North Carolina 4-H Camp is summer camp at its best!

Since we welcomed our first campers in 1929, the North Carolina 4-H Camping Program has opened a world of possibilities to the youth of North Carolina. From summer camp, to overnight retreats, to year-round conference capabilities, our camps enable youth to learn through discovery and grow through experience. Campers take home increased confidence and leadership abilities, better problem-solving skills, and friendships that last a lifetime.

Through their cabin experiences, they gain a sense of community, shared values, contribution, commitment, and compassion. On a hike, they connect with the natural world in which they live, without the influence of computers, television, or movie screens. They experience growth by taking healthy risks and stepping outside their comfort zones. They build character, becoming more competent and caring. They learn to resolve conflicts, value diversity, and to share in the success of the group. Fun becomes the foundation on which courage, self-respect, cooperation, and leadership are built.

Join North Carolina 4-H for a week of camp, and experience what a difference a week can make!
