4-H Centennial License Plates Now Available for Pre-Order!

Dear Friends of North Carolina 4-H,

As we celebrate the 100th Anniversary of 4-H in North Carolina, show your pride in the clover by purchasing a NC 4-H Specialty License Plate for your car or truck!

With over 239,000 youth, 22,900 volunteers and close to one million alumni across the state, what better way to recognize the youth development program that helped you make your best better!

We still need more paid applications for the state to establish the NC 4-H Specialty License Plate! Please support the generations of 4-H'ers who will come after you by purchasing a plate for \$30.

Submit your application and get a friend to do the same and we'll cover the cost of one license plate for the first year. It's buy one get one free from now until August 15, 2009!

Call Michael Martin for details at 919.513.8254 or email at mjmartin@ncsu.edu.
